

Before You Come to Campus:

1. Limit your interactions for 7 days prior to coming to campus and for the first 7 days after you arrive. Get tested through [Proactive Community Testing](#) during this week.
2. Visit [Protect Texas Together](#) website for any campus updates.
3. Download the Protect Texas Together App.
4. Make [The Commitment to Protect Texas Together](#).
5. Talk to your roommates—check out this [Roommate Guidance](#) to help with that conversation.
6. Talk with your family about a plan for if you get sick. Will you be able to come back home to self-isolate or do you need to consider alternate arrangements?
7. Look up offices and services you might need on campus to determine if their hours and/or offerings have been impacted by COVID-19.
8. Make decisions about your [transportation options](#) on or around campus to ensure your health and safety.

What to Pack:

- 5-7 reusable/washable cloth masks or other [recommended protective face masks](#)
- Personal thermometer
- Hand sanitizer that contains at least 60% alcohol—one for your backpack, car and room
- Hand soaps for your bathroom
- Cleaning products such as disinfectant wipes
- Copy of health insurance card (if you have one)
- Make a list of important contacts for emergency and everyday needs
 - University Health Services Nurse Advice Line: 512-475-6877
 - Behavior Concerns and COVID Advice Line (BCCAL): 512-232-5050
 - Delivery services numbers if you need help getting supplies
 - Friends and family
