

Patient Satisfaction Survey Results

In a survey of UHS patients from September 2017 through August 2018

“I’ve said it before and will say it a million times over, I LOVE UHS. I have been to doctors all of my life and I’ve never been so satisfied. You are all amazing, from the check-in staff to the nurses to the doctor. Thank you so much for your caring attitudes and your willingness to help!” —UT Student
